### **March Events at the Fort Collins Museum & Discovery Science Center**

**There's More to Explore at the Fort Collins Museum & Discovery Science Center in March! Whether you're looking for a single Saturday afternoon program or something to do with the family during Spring Break, there's something for everyone!**

**StarLab Planetarium Shows:** Blast off on a journey to the stars in our inflatable planetarium! March 6, shows at 11:00 am and 1:00 pm. Free with admission.

**Tracks, Scat and Fur:** Touch the tracks, match the scat and feel the fur of Rocky Mountain animals. Play the Animal Poo game or make your own track field guide to take home! March 13, 11:00 am to 2:00 pm. Free with admission.

**Science Surprise:** Join us for a family-friendly hands-on science experiments... each month focuses on a different theme. March 20, 11:00 am to 2:00 pm. Free with admission.

- more -

**Trolley Tracks and Tales:** Members of the Fort Collins Trolley Society share stories about the famous Fort Collins Municipal Railway. See a trolley token, try on a conductor's cap, and make a paper trolley car to take home. March 27, 11:00 am to 2:00 pm. Free with admission.

**Dog-Gone Fun Spring Break!** The museum is barkin' mad for dogs! Join us during the Poudre School District and Thompson School District spring break for special canine guests, hands-on activities and lots of tail-wagging fun. Different activities each day of the week! March 6 – 19 and March 30 – April 2. 11 am to 2:00 pm. Free with admission.

**Kids' Night Out:** Kids – take the night off from your parents and explore the museum and science center after hours while diving in to fun activities and a pizza dinner. March 5, 6:00 pm to 9:30 pm. Ages 4 – 10. Pre-registration required. This is a fee program. Call 221-6738 for more information on prices and registration.

**Summer Programs Registration!** All your kids' favorite Summer Programs, plus new Mini-Camps. Members Only Registration begins Sunday, March 28 from 1:00 pm – 5:00 pm. General Registration begins April 3 at 9:00 am. Classes are limited and fill quickly!
