

MIDDLE SCHOOL SPECIAL PROGRAMS INFORMATIONAL NIGHTS

Special Programs	Description	Taught At:
Comprehensive Middle School Program Date: Monday, November 1, 2010 6:00 – 8:00 p.m.	Walt Clark Middle School utilizes the Standards Based Teaching and Learning Cycle to ensure academic excellence and robust learning for all students. Through our universal bell schedule we are able to meet each student in their zone of proximal development and maximize learning. Furthermore, our universal bell schedule allows students to accelerate and take classes at advanced grade levels, for example we are the only middle school in Loveland that offers Geometry, which is a 9 th grade math class, on site. We believe all children can learn and we are a Positive Behavior Support (PBS) school set up to catch kids doing things right! Please contact BRMS at 612-5400 if you have any questions.	WCMS
Math Focused School Monday, November 8, 2010 6:00-7:30 p.m. at TMS	Across all curriculums, our teachers focus on incorporating critical thinking strategies. We assist our students in growing in their critical thinking and how to best help our students to think logically. As a math focus school, selected students who enter the program have an opportunity to complete geometry by the end of their 8 th grade year. Students spend time in our math project lab which gives them experiential learning. Please contact BRMS at 612-7400 if you have any questions.	TMS
Comprehensive Middle School Program Tuesday November 16, 2010 6:30-8:00 p.m. at CBMS	The staff at CBMS is committed to guiding learning by teaching students to apply the Thinking Strategies in all curricular areas and in being productive thinkers. The focus is on content comprehension and teaching students to process information for application in relevant situations. Our school is focused on educating the whole child through supporting the development of Academic Excellence, Developmentally Responsive intervention and supports, endorsing Social Equity and providing Organizations and Structures to meet the needs of the young adolescent. We are a Positive Behavior Support School and we provide a variety of enrichment and afterschool activities and clubs. Please contact BRMS at 612-7300 if you have any questions.	CBMS
LISA - Loveland area Integrated School of the Arts Monday, November 15, 2010 6:00-7:30 p.m. at BRMS	The Loveland area Integrated School of the Arts (LISA) is one educational option for students at BRMS. We support the middle school components of the K-12 arts integration initiative. Since its beginning in 2007-08 school year, the program continues to expand in numbers. LISA students have opportunities to explore exciting nine-week visual and performing arts experiences not available anywhere else. Students also work with nationally and internationally known artists-in-residence who ignite their passion. Please contact BRMS at 612-7200 if you have any questions. Please contact BRMS at 612-7200 if you have any questions.	BRMS
Core Knowledge Monday, November 15, 2010 6:00-7:30 p.m. at BRMS	The Core Knowledge program for grades 6-8 is another educational option available to students. Core Knowledge is a research-based, sequenced curriculum that provides instruction on the most critical components of each content area to provide students success in school and life. Since the program's inception in the 2007-08 school year, enrollment has grown to over 300 students. Information regarding Core Knowledge curriculum is available at www.coreknowledge.org Please contact BRMS at 612-7200 if you have any questions.	BRMS
IB - International Baccalaureate TBD	Lucile Erwin Middle School, an IB World School candidate, offers the Middle Years Programme (MYP) (candidate status) to all students. Students interact within 8 integrated areas of study and learn to view the world through a variety of lenses known as Areas of Interaction. For more information or to participate, please contact Karen East (970) 613-7645; eastk@thompson.k12.co.us	LEMS
