Our support staff has responded to your request, details of which are described below:

Discussion Notes

Support Staff Response

Dear Sir/Madam,

Thank you for contacting Hosting Support.

The FTP logs you have requested for berthoudmainstreet.org have been uploaded to the root directory of your hosting account under the name berthoudmain_ftp_logs.txt.

Please contact us if you have any further issues.

Regards,

Jude C.
Advanced Hosting Support

If you need further assistance with this matter, please contact customer service at **(480) 505-8877** and reference [Incident ID: 9709529].

Please let us know how we are doing by completing the survey located here.

Thanks,
