Zach Dunkelberger
Fundraiser**

In December 2010 Zach was diagnosed with a Soft Tissue Sarcoma. The "official" name is "Malignant Peripheral Neuro Sheath Tumor" or MPNST. The Doctors have decided on an aggressive form of Treatment which will include Chemotherapy, Radiation Therapy, and Surgery. The cancer is fully treatable. A tumor was on his right foot, and discovered after removal to be very malignant. Through the donations made from the Spaghetti Dinner and Silent Auction we hope to help defray the medical expenses that are associated with his cancer treatments.

**Ticket Pricing:
