

7th Annual Golf Tournament For Nevaeh Stanford

- Where:** Ute creek Golf Course – Longmont, Colorado
- When:** Friday May 27, 2011 – 8:00 a.m. shotgun start, sign in starts at 7:00 a.m. so show up early! This is a very fun and laid back atmosphere so even the most novice golfers are invited.
- Why:** Nevaeh is a very active seven year old who suffers from Cystinosis, a rare disease that causes cystine crystals to accumulate in the kidneys, eyes, liver, muscles, pancreas, brain and white blood cells. Some of the proceeds will go to the cystinosis research network (cystinosis.org) where they are in constant search for better ways to help find medicine to prolong her life and make it a more normal environment. The rest pays for her very expensive, but much needed medicine, and a future kidney transplant.
- Format:** 4 person scramble, teams of 2 or 3 are also welcome.
- Cost:** \$100 per person Includes Green fees, cart, lunch and prizes
- Lunch:** There will be a pig roast and a raffle with great prizes to follow. Directions to the pig roast will be given at the golf tournament.

To register or for any questions please contact her father
at 303-875-4673 or email at Jeremy@hurst-assoc.com

Please make checks payable to: Nevaeh Stanford
