

School Supply Drive

The Help Kids Succeed annual School Supply Drive targets underprivileged students throughout the Thompson School District. The Help Kids Succeed School Supply Drive provides each student with a backpack filled with school supplies for the entire school year.

Help Kids Succeed Team: Agilent Technologies, Loveland- Berthoud Salvation Army, Loveland Chamber of Commerce, Loveland Reporter-Herald, Rocky Mountain Cheer and Dance Co., Thompson Education Foundation, Thompson School District, United Way of Larimer County

In order to truly be successful, we need your help.

A donation of \$15 will fill a backpack with new school supplies for a young, eager student. Thanks to leverage from our sponsor partners, we are able to purchase more supplies with donation dollars. We can provide \$40 worth of supplies (or more!) for just \$15 per student!

Yes! I'd like to donate to help fill backpacks!
